DRINK: In the morning, afternoon and evening.
DOSE: Adults 1 cup (8 oz) before

It is the best tea to detoxify the colon, taking care of the internal, physical and functional health of the body. It also supports weight loss, inflammation and metabolic functions as it facilitates the development of internal improvements.

BENEFITS:

Colon-D is an infusion that offers different benefits and the facilities that derive from these such as:

- ✓ *Natural detoxification of the colon*
- ✓ *Metabolism boosting*
- ✓ *Improved digestive process*
- ✓ *Cleansing and elimination of toxins*
- ✓ *Strengthening of the immune system*

ADVANTAGES:

- ✓ *Source of vitamins*
- ✓ *Helps iron absorption*
- ✓ *Supports the digestive process*
- ✓ *Supports regular bowel movements*

WHY COLON-D?

It is a totally natural product, the tea is formulated to cleanse, detoxify and restore the balance of the organism. As part of a nutritional cleansing process, it provides the body with the nutrients it needs to regain balance and restore its natural, healthy state.

INGREDIENTS:

Fennel: supports the digestive process by combating flatulence and colic, reduces swelling due to fluid retention thanks to its diuretic power. It helps the absorption of iron and is used as an anti-inflammatory, healing, expectorant and antioxidant.

Persimmon leaves: source of vitamins, carbohydrates and minerals. It is used in cases of constipation and diarrhea. Vitamin C also influences the absorption of iron and helps resistance to infections. This fruit is also useful for nerve impulse transmission and normal muscle activity.

Mallow leaf: known for its digestive, anti-inflammatory, healing, soothing and laxative properties; it is used in respiratory system ailments, treatment of wounds, insect bites and digestive system problems

Marshmallow leaf: composed of flavonoids, fiber, mucilage, tannins, which make this plant a useful resource for the treatment of respiratory problems, burns and bruises on the skin, hemorrhoids and digestive conditions such as colitis, gastritis, irritable bowel syndrome, ulcers, among others; besides being a mild laxative.

Milk thistle leaf: contains flavonoids that have a favorable effect on liver health as it regenerates new cells in this organ and increases its level of glutathione, an important cellular antioxidant, up to 35%. It collaborates in the regeneration of kidney cells.
